

# The Penny Has Retired!

## **What this means for you:**

Water rates stay the same

Credit card and check payments are unchanged

If you do not have exact change, cash payments will be rounded to the nearest 5 cent increment

Pennies are accepted, but may not always be available as change

Your account **will always show the exact payment amount**, even if your cash payment is rounded. Rounding may leave a **small credit or balance** on your account.

## **Cash Rounding Examples**

Rounded down to the nearest 5 cent increment: Totals ending in 1,2,6 or 7

Rounded up to the nearest 5 cent increment: Totals ending in 3,4,8 or 9

Thank you for your understanding while we say goodbye to the penny!
